

As the Art & Design curriculum transitions to new courses and course codes, the following table of equivalent and substitution courses will assist in guiding your enrolment. **An equivalent course is directly mapped from the prior course with the same content and learning outcomes. Substitution courses are alternatives that have different learning outcomes and may include a choice between a range of courses.**

DESIGN EQUIVALENTS & SUBSTITUTIONS

If you are in the integrated 4 year Honours program and have not commenced a studio stream, or have completed only 6UOC in a stream at L2, you can take the new Disciplinary Studio courses (eg Graphics 1, Graphics 2, Graphics 3) starting with the first course in the sequence. If you complete the Disciplinary Studios (18UOC) in fulfilment of the old stream requirements (24 UOC), you may substitute an elective for the missing 6UOC.
